## November 14 and 15, 2007

Marc Assiniwi has achieved “Star” according to Mona•vie ranking system. After announcing that, he was going out gun blazing. He started making calls and organizing tasting party after tasting party.

*He is so close to his personal target, that he can taste it.*

Marc is only missing 100 GV. It is 8 p.m. and he refuses to go down without a fight.

Taking the bull by the horns, he contacts everyone in his downline and everyone he can think of.

11: 35 p.m., only 2 hours and 35 minutes to go and still no way to get there when the phone rings. Louis Pharand, his partner and buddy announced to Marc that he had found a new distributor. Marc has made it from “Star” to “Star 1000” in less then three days. While on a six weeks mission up north, Mireille Samson (Marc’s up-line) also moved up the ladder from “Star 500” to “Star 1000”. Next step, “Bronze Executive”!

We will be on a Movavie tour in the Outaouais region this up coming weekend. (November 23 to 25).
